

Exceptional first half of 2017 for Capital Transmission

From January to June 2017, Capital Transmission realised three investments, two transfers and two events.

➤ Investments

- In **March**, Capital Transmission supported the transfer of the **RGF Group**, a specialist in the conception and production of small plastic technical components, as part of an MBI alongside Omnes Capital and Bpifrance;
- At the beginning of **June**, Capital Transmission acquired a stake in the **Océdis Group**, a key operator in the treatment of swimming pool water and pool equipment, alongside its founder;
- At the end of **June**, Capital Transmission supported the managers of the Zug-based **Resource Group**, a specialist in the recruitment, provision and training of highly qualified personnel for the aeronautics industry, in their management buy-out.

➤ Transfers

- In **March**, **SRS**, a company in which Capital Transmission had a stake, chose to establish closer ties with Helvetia Environnement in order to reach a certain size and become Switzerland's number one in waste management;
- In **June**, the company **Editions Le Régional** decided, with Capital Transmission's permission, to pay back the mezzanine loan it had been granted in the context of the management buy-out in 2015 early.

➤ Events

- On **4 April**, Capital Transmission invited entrepreneurs to a conference in Geneva on the subject of "**SMEs, how can you fund your growth without losing control?**"
- On **27 June**, this time Capital Transmission invited entrepreneurs to a conference in Lausanne on the subject of "**Transmitting your business to guarantee its sustainability**".
