

Capital Transmission participates in the acquisition of Baitella AG, the world's leading manufacturer of mechanical holding solutions with a central clamping unit, together with the Renaissance Investment Foundation

Founded in 1978 by Carlo Baitella and based in Zurich, Baitella AG is the world's leading developer, manufacturer and distributor of high-quality articulated arm fixtures for medical and industrial applications with its "Fisso" brand. The company supplies the medical and industrial sectors with Swiss-made articulated stands and corresponding accessories in both standard and customised versions.

Capital Transmission participates, together with Renaissance Investment Foundation, in the acquisition of Baitella AG. This acquisition has no impact on the management, the 40 employees and the company's head office and production site in Oerlikon, Zurich.

About Capital Transmission

Capital Transmission is an investment company founded in 2008, based in Geneva (Switzerland), whose objective is to assist companies and entrepreneurs by providing equity and quasi-equity contributions, for amounts ranging from CHF 0.5 million to CHF 15 million.

The mission of Capital Transmission is to create lasting added value. In a balanced risk approach, the team invests in profitable mature companies, in Switzerland and France.

As a member of the BCGE group, whose equity it invests, Capital Transmission benefits from the solid expertise of a renowned institution.
